

Lector Notes for November 27

Good afternoon/morning and welcome to our celebration of the First Sunday of Advent. If we have any guests or visitors, a special welcome to you.

The 2nd collection this weekend is being taken up in support of the energy and fuel needs of the parish. Please place your contribution in one of the collection boxes at the entrance to the church after Mass.

We ask that you take a moment now to silence your cell phones before we begin our liturgy.
