

Lector Notes for November 3

Good afternoon / morning and welcome to our celebration of the 31st Sunday in Ordinary Time. If we have any guests or visitors, a special welcome to you.

We ask that you take a moment to silence your cell phones before Mass begins.

The second collection this weekend is being taken up for evangelization. Please place your contribution in one of the wooden boxes at the church entrance after Mass.

Now... please stand as we offer one another a sign of peace.
